

GLASGOW HASH HOUSE HARRIERS ARE PROUD TO PRESENT

# THE 2014 COMMONWEALTH HASH

Glasgow: 18-20 July 2014

COMMONWEALTH HASH

18 - 20 July 2014

## Event Overview

In 2014 Glasgow will host the 20<sup>th</sup> Commonwealth Games and coincidentally GH3 will host the 2014 *Commie Hash* event. It is traditional that every four years there is a *Commie* weekend and it traditionally is hosted – coincidentally – by a pack near the Commonwealth Games host city.

Whilst this weekend is one of the major World *HHH* events next year, it is being held the weekend before the Commonwealth Games opening ceremony and is also the week before Brussels Beer Odyssey making it an ideal pre-lube to either of those events.

The Glasgow event will be held on the weekend of 18 – 20 July 2014 and will be centred on the city with trails taking place in and out of town.

The event will officially open on the Friday evening with registration and welcome reception. This will be followed by a real pub crawl trail giving participants the opportunity to try some unusual whiskies and some of the splendid real ales for which the UK is famous.

On Saturday we will make use of Glasgow's location, with its proximity to Loch Lomond and as the gateway to the Highlands, to head into the hills for a day of trails and post trail festivities. At night we are holding a Ceilidh.

Sunday will have a hangover trail – with a decent length trail option for those who do not have a decent hangover.

There is a fortnight of pre and post rambles supporting this event – visit [www.glasgowh3.com](http://www.glasgowh3.com) for details.
